

NexGen HD: Revolutionizing Home Delivery

Only Available in Orders of Ten Units or More. Includes Extended Leadtime

Dry, Fresh, & Frozen Product Home Delivery – NO PROBLEM for NexGen HD!

NexGen HD is designed to sustain even the most stringent temperatures, across multiple compartments, to ensure product requirements and quality are strictly maintained – mile-after-mile.

And the ability to customize shelving and racking systems as well as assign different temperature compartments, means NexGen HD is built to satisfy your unique needs, and make your job easier and more efficient!
